Mint of the United States.

Philadelphia December 30th 1865

Hon. W. E. Chandler

Asst Secretary of the Treasury

Sir

Your letter of the 22d inst enclosing letter of Mr. Richmond, requesting copies of the "Motto Coins" in copper, has been received. It would give me pleasure to comply with your request for Mr. Richmond and Senator Doolittle, but as only five copies were struck in copper, for the Secretary of the Treasury, and the Mint, it is not in my power to do so. The number of applications is large, but as we are preparing Proof Sets in silver and gold including the motto coins, which will be ready some time in January for sale, we will then be able to gratify those who desire the specimens.

Very respectfully

Yours &c.
